

Owens Corning Foamular®

All Weather Insulated Panels is now the distributor for Owens Corning Foamular® brand board Insulation in the Western States Region.

States include: Alaska, California, Colorado, Idaho, Montana, Nevada, Oregon, Utah, Washington and Wyoming.

Products include 4' x 8' sheets of LT30, LT40 and LT60. All are available in quantities as small as single units (3,072bf).

Truckload Quantity

Truckload quantity and larger orders will be delivered to the jobsite directly from Owens Corning. Minimum truckload quantity is (12) units (36,864bf).

Less than Truckload (LTL) Quantity

All Weather Insulated Panels will be stocking LT30 and LT40 Foamular® in our Vacaville, CA warehouse for quick delivery. Minimum order quantity is (1) unit (3,072bf).

This ability to deliver small unit quantities of Foamular® will allow us to lower customers delivered cost on small orders, especially when shipped with insulated panels to the same project.
