

**ALL WEATHER INSULATED PANELS**

— A Division of Vicwest —

**70% Fluorocarbon (PVDF) Coatings  
30 Year Limited Warranty**

All Weather Insulated Panels provides the following warranty concerning the use of its **70% Fluorocarbon Coating System** for building components.

1. All Weather Insulated Panels warrants that the **70% Fluorocarbon Coating System**, including primer and backer, when applied over properly cleaned and chemically treated Aluminum, Hot Dipped Galvanized Steel (G-90), and Aluminum/Zinc coated steel in accordance with the system manufacturer's application and product data sheets, will not under normal atmospheric conditions:
  - A. Chip, Crack, Check, or Peel for a period of (30) thirty years from date of installation (except for such crazing that may occur on tightly roll-formed edges and brake bends).
  - B. Chalk in excess of a numerical rating of eight (8) for a period of (30) thirty years from date of installation when measured in accordance with the standard procedures outlined in ASTM D-659.
  - C. Fade or change color in excess of five (5) E units for a period of (30) thirty years from date of installation when calculated in accordance with ASTM D-2244. The color change is to be measured on exposed painted surface cleaned of surface soils and oxidation.
2. This warranty is restricted to failures resulting from normal weathering and does not include coating failures caused by scratches, scrapes or any other unnatural damage. All Weather Insulated Panels accepts no liability for damages caused by acts of God, radiation, falling objects, explosions, or other external forces beyond its control.
3. This warranty excludes failures caused by standing water, and direct exposure to corrosive and aggressive atmospheres including animal waste products. Applications exposed to salt spray or within 1000 feet of the seacoast, must be maintained by washing with fresh water at least biannually and documentation of this maintenance provided upon request.
4. All Weather Insulated Panel's responsibility extends only to the direct cost of refinishing or replacing failed coated substrate. All Weather Insulated Panels can not accept liability for loss or damage to other property or equipment, loss of profits or sales, or any other claims relative to standard business interruption, or any other incidental or consequential damages.
5. All Weather Insulated Panels reserves the right to establish whether repainting or replacing material is required and to approve and participate in the negotiation of any subcontracted material replacement, installation, or refinishing. After replacement or re-finishing of the repaired area, this area will be considered as installed as of the original installation date for the purpose of the application of this warranty.
6. Claims under this warranty must be submitted in writing within forty-five (45) days of discovery of the warranted performance failure and All Weather Insulated Panels requires the opportunity for site failure inspection and investigation. All Weather Insulated Panels also reserves the right to solely evaluate and determine its obligation under the terms and conditions of this limited warranty.
7. This limited warranty supersedes any and all other warranties of performance, expressed or implied, by All Weather Insulated Panels. Any modifications, additions, or adjustments made to this warranty must be officially added as a signed written amendment.
8. This limited warranty is nontransferable and non-assignable and may not be modified, extended, or enlarged by any representative of All Weather Insulated Panels or intermediate salesman or agent.
9. This limited warranty shall be governed by and interpreted in accordance with, the laws of the State of California.
